**The *Bookshelf Author Series* is being offered in conjunction with the Schulz Museum's newest exhibition, *It Was a Dark and Stormy Night*, which opened January 28 and runs through September 10, 2017.** This exhibition explores Charles Schulz's love of literature, displays rarely seen books from his personal library collection, and highlights many *Peanuts* comic strips where books and writing appear in the everyday lives of his characters. The now habitually parodied phrase, "It was a dark and stormy night," found new life with Schulz, who used the opener in his portrayal of Snoopy as the World Famous Author. Visitors can share in Snoopy's experience and step into the paw prints of the World Famous Author through an interactive typing display.
