Field Trips

Aligned with Common Core

CHOOSE FROM THE FOLLOWING PROGRAMS:

PRE-K–2ND GRADE
WHO IS SNOOPY?
This introduction to museums, Charles M. Schulz, and Peanuts is specially designed for young children. Students will enjoy a hands-on tour, watch a Peanuts animated special, play drawing games, and create their own cartoon.

1ST–6TH GRADE
THE CREATIVE PROCESS
Explore the creative process and how Charles M. Schulz drew from personal experiences to create Peanuts. Younger students will learn to draw Peanuts characters and older students will collaborate to create their own animated story using stop-motion technology.

2ND–4TH GRADE
LOCAL HERO: THE STORY OF CHARLES M. SCHULZ
Explore the life of Charles M. Schulz and his impact on local history. Students will learn to draw Peanuts characters and their own cartoons.

3RD GRADE AND ABOVE
THE ART OF THE STORY
Learn how Charles M. Schulz used real experiences to develop Peanuts. Students will explore the elements of a story and learn to tell their own in a hands-on cartoon workshop.

3RD GRADE AND ABOVE
THE ART OF CARTOONING
Learn how cartoonists use simple lines to show complex emotions. Students will create their own animation sequence and watch it come to life in our giant zoetropes.

6TH GRADE AND ABOVE
CHARACTER CREATION WORKSHOP
Discover how cartoonists generate ideas and create characters. Students will develop their own characters and stories and work in small groups to bring their stories to life with stop-motion animation.

FIELD TRIPS ARE 90 MINUTES AND INCLUDE:
- Tour of the Museum and hands-on cartooning class
- Student and teacher resources
- Free gift and Museum admission coupon for each student

TIME  Monday through Friday, 9:00 am or 10:45 am
FEE  $5 per student (15 student minimum)
FREE up to 10 chaperones; $5 per additional chaperone

EXTEND YOUR FIELD TRIP! Ice skating at Snoopy’s Home Ice is available Monday–Thursday, Noon–2:00 pm, for $5 per person. Reserve your ice time when booking your Field Trip with the Museum. The Warm Puppy Café offers group lunches and healthy snacks.

CHOOSE FROM:

PRE-K–2ND GRADE
PEANUTS ON THE GO
Explore local icon Charles M. Schulz and his world-famous Peanuts comic strip. Students will learn to draw Snoopy or Charlie Brown and make a Snoopy puppet, Snoopy ears, and fingerprint characters.

FOR 3RD–6TH GRADE
THE CREATIVE PROCESS
Discover the creative process through individual and group projects. Students will learn to draw Peanuts characters, create a comic strip, and collaborate on a stop-motion animated short.

FOR 3RD–6TH GRADE
CARTOONING IN YOUR CLASSROOM
Explore the art of cartooning and animation. Students will create a comic strip, draw an animated zoetrope sequence, and experiment with basic stop-motion animation.

RECOMMENDED FOR 1ST–3RD GRADE
PEANUTS NATURALLY ART FESTIVAL
Fill your multi-purpose room with hands-on activities and explorations of art processes, materials, techniques, and projects based on the 2nd grade Common Core Art Standards. Students can experiment with animation, origami, watercolor, pointillism, architecture, collage, color mixing, and more.

RECOMMENDED FOR 1ST–6TH GRADE
PEANUTS NATURALLY ENVIRONMENTAL SCIENCE FESTIVAL
Fill your multi-purpose room with up to 15 nature-related activity stations for students to learn about the environment. Students can bead a water cycle bracelet, create a constellation viewer, launch rockets, and more. Perfect for a family night or science enrichment program.
