

HOW TO DRAW CHARLIE BROWN

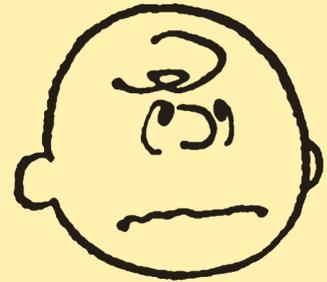

1. Draw his round head and ears.

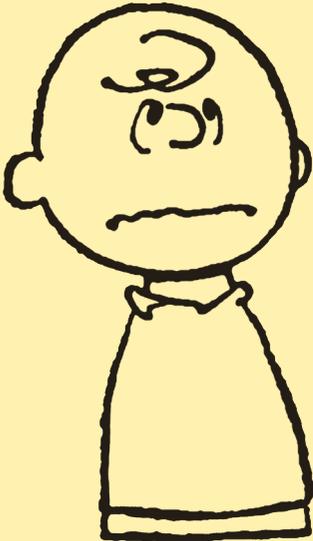

2. Starting slightly off-center, add his eyes, nose, and mouth.

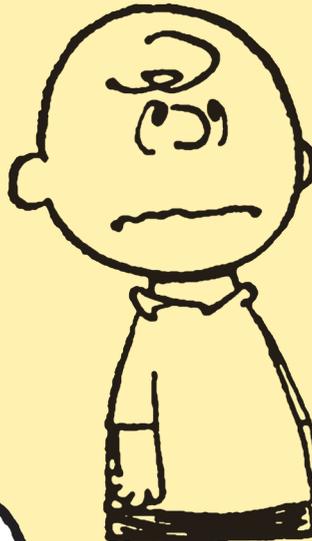

3. Draw his curl.

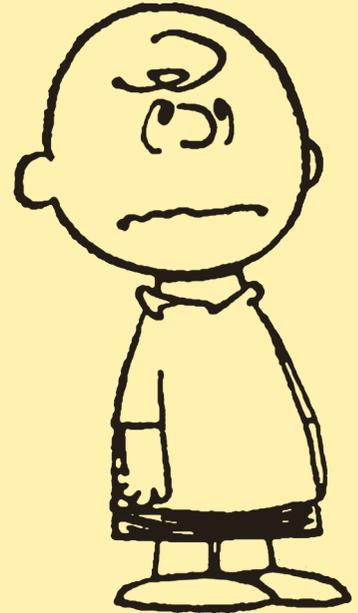

4. Add his neck (with a shadow under the chin), collared shirt, and shorts.

5. Add his sleeves and hands. Fill in his shorts.

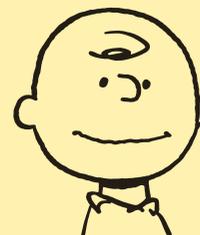

6. Draw his legs and shoes.

7. Add the finishing touches: socks, shoelaces, and his signature zigzag!
